1. The applicant's documents for review are submitted to the Academic Development Coordinator and the Vice-Dean for Teaching Issues in the respective AU of the UP.
2. The Academic Development Coordinator of the respective AU reviews the documentation and compares the courses selected by the student. If necessary, the process is assisted by the Vice-Dean for Teaching Issues and/or by the Head of the Department (Head of the Study Program).
3. In cases where the selected courses are identical or comparable to the courses of the study program up to 70%, the learning agreement, upon the proposal of the Academic Development Coordinator, must be signed by the Vice-Dean for teaching issues to confirm that the courses that have been selected by the student will be accepted as such in the respective program upon the student's return to the home university.
4. If the selected courses are not comparable up to 70%, but they belong to the same field of study, the Academic Development Coordinator asks/suggests the student to change the selected courses by orienting him towards courses that are comparable up to 70%.
5. If the list of courses at the receiving university does not contain any courses comparable up to 70%, the confirmation on the possibility of the acceptance and the signing of the Learning Agreement shall be obtained by the Vice-Dean for teaching issues in co-operation with the Head of the department or the study program, and as required by the AU Study Commission of the UP, where they take a final decision for approval by:
